

Healthy Earth, Endless Growth

Are they compatible?

A Multifaith Forum offering Faith Solutions

Key Speaker

Dr Haydn Washington,
Institute of Environmental Studies, UNSW.
Haydn has a long involvement as an
environmental scientist, writer and activist.
His most recent book is *Demystifying
Sustainability*.

There will be responses from the Hindu,
Buddhist, Christian, Jewish and Muslim
faiths.

The event is free, however a suggested
donation of \$10 will assist with costs.

Thursday 23rd July

Mitchell Theatre
Sydney Mechanical
School of Arts
280 Pitt Street, Sydney

6.30pm refreshments
7pm start

Faith
Ecology
Network

Connecting faiths to grow in ecological
awareness and care
